Notes:

The total quota reflects pounds available for landings in states with quota. States with negative allocations have zero (0) pounds of quota available.

Negative late entries are the result of corrections to the database.

These data are the best available to NMFS when this report was compiled. Data are supplied to NMFS by dealers and/or state agencies and may be preliminary.

The following summary is updated as information is received, and may not reflect recent state actions. Readers are urged to contact the appropriate state agency for further information.
